Extended Family Living Sun & Sea Views

Near the beach, covering 337 square metres with over half an acre of land including gorgeous bush and established trees, this roomy renovated sunny 70s hilltop home is a must see. It has plenty of space for the kids and pets to play in the gardens; beautiful picturesque views from every window; all-day sun; sea views over the Manukau harbour and across to One-Tree Hill. A roomy rumpus and a large workshop for DIY, currently used as a gym with an infrared sauna, complete the picture.
